FOR IMMEDIATE RELEASE

WEYERBACHER PARTNERS WITH THIRD STREET ALLIANCE FOR DIAPER DRIVE

Weyerbacher has partnered with Third Street Alliance for Women & Children for Bottoms Up!, a diaper drive that will run the entire month of July.

During the month of July, anyone that brings a new package of diapers, any size, during their visit to The Tap Room will get a free pint! One pint per person per visit.

Why is the Bottoms Up! drive so important? Third Street Alliance's shelter is full. They currently have more than 20 single women and families living in the shelter. Those families include 33 children - including 4 infants/babies. The diapers donated during this drive will help the families that need them the most and help defray the cost of diapers, which can be a large expense for the families in the shelter.

What: Bottoms Up! Diaper Drive to benefit Third Street Alliance

Where: Weyerbacher Brewing @ 905 Line Street, Easton PA 18042

When: July 1st - 31st, during operating hours

Why: Donate new diapers for increasing amount of families in need, receive a free pint
